

11th October 2016

Dear Mr. Johnson,

I wish to thank you for a most poignant Remembrance Day service to which I had been invited by the secretary of the Old Rodenians.

The welcome given by yourself, your staff and pupils was particularly memorable, as were the dignity and respect shown by all throughout the service.

I am most appreciative of the effort made on behalf of all concerned.

Your generosity of spirit, kindness and sympathy are greatly appreciated.

As a former member of staff at Roden High School, it was a privilege to attend on behalf of my fellow co-workers, colleagues and pupils alike.

Please accept my very sincere thanks.

I wish you, your staff and pupils all the very best as you go into the future.

Sincerely,

Steven
